

OBJECTIVE

Dedicated and detail-oriented data analyst with proficiency in Python, mySQL, Power BI, and Excel, complemented by strong interpersonal and teamwork skills. Adept at transforming complex datasets into actionable insights and presenting findings effectively to diverse audiences. Seeking to leverage analytical expertise and collaborative abilities to contribute to data-driven decision-making in a dynamic organization.

PROFILE

I am a third-year Software Engineering student with a strong foundation in data analysis, database management, and data visualization. I am proficient in Python, MySQL, Power BI, and Excel, and possess advanced skills in using these tools for data manipulation, analysis, and reporting. My interpersonal skills enable me to effectively communicate and collaborate with team members and stakeholders, while my teamwork and presentation skills ensure that I can contribute to and lead group projects successfully. I have completed an internship in 'Data Science and Business Analytics' at The Sparks Foundation, which has further honed my practical skills and knowledge in this field. I am eager to apply my academic knowledge and technical expertise in practical settings to drive organizational goals and innovations.

I combine strong technical skills with effective communication and teamwork, excelling in collaborative environments. I am passionate about engaging in innovative projects that challenge and expand the possibilities of technology."

EDUCATION

The Excellence School and College Pano

Akil

Intermediate
2018 – 2020

Mehran University of Engineering and Technology SZAB Khairpur Mir's

Bachelor's in Engineering (Software Engineering)
2021 – 2025

CO-CIRRICULAR ACTIVITIES

Design Strategist at MicroSoft Learn Students Ambassador

2024-2025

Lead at EngineersXpert

2024-2025

Campus Director at Hult Prize

2024-2025

SKILLS

- Data Analysis
- Python (Numpy, Pandas, Matplotlib, Seaborn)
- mySQL
- Power BI
- Excel
- Communication Skill
- Teamwork
- Presentation Skill

PROJECTS

- Prediction using Supervised ML
- Amazon Sales Analysis
- Global Terrorism
- Super Shop sales
- Hotel Booking
- Awesome Chocolate

CERTIFICATIONS

1) Introduction to SQL

Simplilearn (SkillUp) | [20/6/2024]

2) Business Analytics with Excel

Simplilearn (SkillUp) | [14/6/2024]

3) Data Manipulation with Pandas

DataCamp | [06/08/2024]

4) PowerBI for Beginners

Simplilearn (SkillUp) | [14/6/2024]

5) Introduction to Data Visualization with Matplotlib
